

Airport Updates

Southwest Airlines Celebrate One Year at Colorado Springs Airport

Southwest Airlines began service at COS on March 11, 2021 with 13 daily nonstop flights to Chicago, Dallas, Denver, Las Vegas and Phoenix. In November of 2021, Southwest added seasonal flights to Houston and San Antonio. The airline made a major impact at COS, becoming the airport's largest carrier in the first month of service and boosting the airport's passenger traffic to a 13-year high last year.

Peak Innovation Park Gains Altitude

The 900-acre business park just west of the terminal - Peak Innovation Park - has seen tremendous growth since 2019. The land houses industrial warehouses and businesses like Amazon. Future developments like hotels, retail and restaurants are planned for the future.

Events

This St. Patrick's Day we shared our pot of (chocolate) gold with passengers!

Throughout the year COS will host pop-up events for our travelers.

Our airport has the best volunteer Ambassadors! On March 24, we celebrated all they do at our annual breakfast.

Interested in volunteering? Click below to learn more about how to become an Ambassador or join our PAWS for COS therapy dog program.

COS is underway with its 20-year Master Plan process and the community is invited to attend a virtual Community Open House to learn more about it and provide comments on the Plan. The Master Plan will help to shape the future of the airport and ensure that COS continues to serve the community as a valued asset. This Plan will provide a roadmap to guide the Airport and City in future decision-making,

- Date: Wednesday, March 30th
- Time: 6:00 p.m.
- Location: **Microsoft Teams**
